Karrento K, Rosen JM, Tarbell SE, Issenman RM, Gelfand AA, Gamboa H, Parikh S, Adams K, Wiercioch W, Li BUK. North American Society for Pediatric Gastroenterology, Hepatology, and Nutrition 2025 guidelines for management of cyclic vomiting syndrome in children. J Pediatr Gastroenterol Nutr. 2025 Apr 14. https://doi.org/10.1002/jpn3.70020

Recommendation 1: The guideline panel suggests using nonpharmacological therapies (i.e., neuromodulation,**acupuncture**, behavioral interventions) for treatment of acute CVS episodes in children and adolescents who prefer nonpharmacological approaches and/or who experience side effects of pharmacological agents (conditional recommendation, very low certainty in the evidence of effects).
